About the Organization

BHARTYA YUVAK KHELKUD AVAM VIKAS SANSTHAN (Yuvam India) is a registered charitable society working in the areas of healthcare, education, and community development.

With over three decades of continuous on-ground work, YUVAM has built a strong legacy of empowering individuals and uplifting underserved sections of society.

Registered under the Madhya Pradesh Society Registration Act, 1860, the organization has been serving urban and rural communities for more than a decade.

Yuvam India holds 12A and 80G certifications and collaborates with reputed organizations to implement impactful social programs.

Backed by **government affiliations and statutory registrations**, YUVAM operates with credibility, transparency, and compliance—enabling effective implementation of diverse development initiatives. Our work spans across **women empowerment, youth development, sports promotion, education, health awareness, environmental sustainability, and support for marginalized communities**, including differently-abled individuals.

At YUVAM, we believe real change happens at the grassroots. Our approach focuses on **community engagement, capacity building, and sustainable impact**, ensuring that every initiative creates long-term value and self-reliance.

Driven by purpose and strengthened by experience, YUVAM continues to work towards building a more equitable, empowered, and progressive society.

Empowering Youth, Transforming Society

Our Vision

To build an inclusive and empowered India where every individual—regardless of gender, ability, or background—lives with dignity, safety, and purpose.

A future where communities are aware, equitable, and sustainable.

No one left behind

Our Mission

To drive meaningful, scalable change through awareness, empowerment, and sustainable action.

At **Yuvam**, we work across **women empowerment, child safety, youth development, environmental responsibility, inclusive education, support for the differently-abled (including visually impaired), and promotion of health and sports**—creating ecosystems where people can thrive.

*From awareness to action.
From intent to impact*

Empowering Youth, Transforming Society

Our Core Values

Impact First

We focus on real, measurable, lasting change.

Dignity & Inclusion

Equal respect and opportunity for every individual.

Empowerment Through Action

Turning awareness into capability and confidence.

Integrity

Transparent, ethical, and accountable in all we do.

Collaboration

Partnering to scale impact and reach.

Sustainability

Driving long-term, responsible change.

Courage

Addressing critical social challenges with conviction.

**Yuvam is not just building programs—
we are building a safer, stronger, and more inclusive future for India.**

Empowering Youth, Transforming Society

Our Founder

Amit Anand Bhargava

Founder, Yuvam India

(Bhartya Yuvak Khelkud and Vikas Sansthan)

Amit Anand Bhargava's journey began with a life-changing moment in Bhopal, when he met a young boy forced to leave school to support his family. Moved by the child's lost potential, Amit made a simple but powerful decision—to ensure that lack of opportunity would never define a child's future.

With this vision, he founded Yuvam India (Bhartya Yuvak Khelkud Vikas Sansthan), starting with just a few children and a deep belief in change. Over the past 20+ years, the NGO has grown into a movement across Delhi, Pune, and Bengaluru, impacting 50,000+ lives through education, women's empowerment, and community health initiatives.

Known for his hands-on and compassionate leadership, Amit continues to work closely with communities, building solutions that create lasting, meaningful change. For him, true success lies not in numbers, but in confident individuals and stronger, self-reliant communities.

Empowering Youth, Transforming Society

POSH (Prevention of Sexual Harassment) IMPLEMENTATION and AWARENESS

The POSH Act, 2013 requires organizations with more than 10 employees to ensure a safe workplace environment. Employers must:

-  Form an Internal Complaints Committee (ICC)
-  Conduct regular awareness programs
-  Provide a harassment-free workplace
-  Establish complaint and redressal mechanisms

Our POSH training helps organizations understand the law and build systems to prevent workplace harassment.

POCSO – Child Protection Awareness

The POCSO Act, 2012 protects children from sexual abuse, harassment, and exploitation.

• Our awareness programs help institutions: •

Understand child protection laws

Identify and prevent child abuse

Create safe environments for children

Promote responsible reporting and legal compliance
